

SEVENOAKS HOCKEY CLUB

VETERANS HOCKEY FESTIVAL ' 2009 '

January 2009

Dear Old Hockey Colleagues,

We take great pleasure in inviting you to our Sevenoaks Hockey Club 26th Annual International Hockey Festival which is being held, as always, over the Bank Holiday weekend, Friday 1st to Monday 4th May 2009.

For this coming Festival we shall again be using our three local Astroturf pitches as the venues for some sociable yet competitive hockey, against both British and International teams. The aim is to keep the Festival small, with about ten men's and eight ladies teams, as we feel this helps maintain the friendly atmosphere created each year. Many teams return on a regular basis and others are first timers.

Apart from good hockey, we will provide lunches and offer home cooked evening meals, there will be a late bar every night, the famous cabaret, live music and Clive's disco for you to dance the nights away. All this takes place at our lovely clubhouse, a traditional English Cricket Pavilion with it's unique atmosphere and position. Situated on The Vine cricket ground, this is within easy walking distance of Sevenoaks town in the county of Kent, also known as the garden of England.

We aim to provide a special welcome to all touring sides and ensure a memorable and enjoyable weekend for all.

The cost for the weekend is £480 per team which covers all hockey, lunches and entertainment. We have several hotels and guesthouses nearby and if required, the committee will be happy to organise accommodation for you.

Please visit our Festival website for further details <http://www.sevenoaksvetshockeyfestival.com>

We look forward to hearing from you.

Best regards,

Julie Nicholson
Festival Committee
